

Where will you be when an asteroid hits earth?

Presented by Dr. Henry Throop
Senior Scientist at the Planetary Science Institute &
Guest lecturer at the Department of Physics,
University of Pretoria

Dr. Henry Throop will discuss asteroid collisions and how work being done by astronomers in South Africa is helping to protect the Earth from deadly impacts.

Date: 1 October 2014

Time: 17:00

Venue: Sci-Enza, University of Pretoria

RSVP: secretary@S2A3.org.za (before 29 September 2014)
